

# **Moments in time**

*Deciderius / Møller*

*Take my hand - & share with me  
These moments in time  
Don't turn away - don't turn away*

*Look at me - & share with me  
I want you to stay  
Don't turn away - don't turn away*

*Living my life - watching days passing by  
Feet on the ground  
Watching my life passing by - oh baby  
Watching the world spinning 'round*

*People rush like busy bees  
They seem to be afraid  
To be too late for the train  
Don't turn away - don't turn away*

*Living my life - taking a ride  
Down on the ground  
Watching my life walk on by - oh baby  
Watching the world spinning 'round*
