

One fine day

Deciderius / Møller

**Brand new day - take it away
Blue sky – not a cloud in sight
Sun is up - such a cosmic love
Like a bird - reaching for the sky
Taking my time
Not a shadow on my mind
Till the end of time**

**In the street - the world is at my feet
Dusty days - passing by
Sun is up - magic love
Looking for the sun in her eyes
Taking my time
Not a shadow on my mind
Till the end of time**

**What can I say? - don't want to stay
Running away - what can I say?**

**One fine day - it's just another day
Blue sky - not a cloud in sight
Taking my time
Not a shadow on my mind
Till the end of time**
